# Al-Jamiatul Bukhari Academy

An Islamic institute dedicated to the education of girls, nurturing knowledge, character and faith.

For Girls Only | Aalima Course | Urdu Courses | aljamiatulacademy.in

## About the Academy

Al-Jamiatul Bukhari Academy is an Islamic institute exclusively for girls. We offer Urdu courses, the Aalima course and many more programs, with 21 courses available for enrollment, taught by dedicated faculty in a caring, well-supported learning environment.

Our website and student portal make admission, class timings and announcements simple for every family.

## Our Courses

### Aalima Course

Structured Islamic scholarship for girls who wish to study deeply.

### Urdu Courses

Reading, writing and language skills in Urdu.

### And Many More

21 courses in total. Browse every course with full details on our website.

## Why Choose Us

### Best Faculty

Qualified, experienced teachers committed to every student.

### Best Facilities

A comfortable, well-organised environment for focused learning.

### Only for Girls

A dedicated space built around the needs of girls and their families.

### Easy Online Access

Class timings, live class links and notices in one place.

## Our Website and Portal

### Public Website

- Home, courses and faculty
- Online admission form
- Notices and contact

### Student Panel

- Today's class with a Join button
- My courses and batch details
- Notices and profile

### Admin Panel

- Courses and notices
- Admission requests
- Students and batches

## Admissions

1. Submit the online admission form on aljamiatulacademy.in and choose your course.
2. Our team reviews your application.
3. Once approved, the student is placed in a batch.
4. Her student account is created with a three-digit Student ID and a password.
5. The login details are shared with the family.
6. On first login, the student sets her own password and joins her classes.

## Safety and Security

### Private Accounts

Every student has her own login and sees only her own information.

### Protected Passwords

Passwords are stored encrypted and never shown in plain text.

### Secure Sessions

Protected sign-in with limits on repeated login attempts.

### Controlled Access

Students can never reach the admin panel, and inactive accounts are locked out.

## Scope

### Available Now

- Public website
- Online admissions
- Student and admin panels
- Batches, live class links, notices

### Coming Next

- Fee tracking and receipts
